✓ Lead with Confidence ✓ Manage Self & Others ✓ Execute Growth ✓ Make Powerful Decisions

Stars mark what is required for the Portfolio of Evidence, which is completed through The Success Prism (accredited Unit Standard 252031): the compulsory Assertiveness online course, coaching sessions 1 to 3 and the workbook portion. Every workshop includes a skills check (KPI check). Afterburner and Skills Check dates are completion deadlines where they apply, and Afterburners are optional. Dates are for the 2027 intake and may be adjusted if required.
