

Negotiating for Profits

Aim

This workshop is designed to assist the learners with the approach and skills necessary to enter competitive sales or buying orientated negotiations. It gives the learner a structured approach to the theory of negotiation easily enabling them to recognise tactics used against them and assisting them in gaining clarity on their own goals, thereby enabling better outcomes.

A comprehensive approach to negotiation, this workshop can be presented over one day's training. This workshop combines well with the presentation skills training workshop to form a two-day training session.

About this Course...

To assist with the conducting of negotiations in a non-offensive yet goal driven manner.

Who Should Attend this Course?

This course will benefit all staff involved in negotiations, including sales staff, Managers and Supervisors.

Outcome

The learner will be able to identify the theory of a negotiation and be able to adapt their own communication to reach a favourable goal orientated outcome.
